

CONSERVATION FIRST *** USA

Withholding Taxes:

The Department of the Treasury requires Conservation First USA to collect withholding taxes from winners of all major prizes with a cost exceeding \$5,000. The withholding tax rate is 24% of the cost of the prize for U.S. residents.

Following receipt of payment to Conservation First USA, the withholding tax will be deposited with the Department of the Treasury and a Form W-2G will be issued in January of 2024 for tax purposes.

Prizes will not be awarded until all withholding has been collected.

This does not apply to any of the Arizona Special Big Game Tags. For the 2022-2023 campaign, guide service on the Jaws & Paws Raffle, the Swarovski Optics Package, Texas Trophy Mule Deer Hunt and the NM Trophy Elk Hunt will require withholding.
